Thanks much. I can't imagine they'll have any questions, so I'll be there virtually. I'll chime in if they do.

Good afternoon,

I am the attorney who reviewed your agency's attached periodic review report. The RRC will formally review the report at its meeting on Thursday, May 28, 2026, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get close to the meeting, or you are welcome to attend in-person. If there are any other representatives from your agency who want to attend virtually, please let me know prior to the meeting, and we will get evites out to them as well.

I plan to recommend that the RRC adopt the report. Let me know if you have any questions.

Thanks,

You don't often get email from [cpinyan@brookspierce.com](mailto:cpinyan@brookspierce.com). [Learn why this is important](#)

Here you go. Proves there is such a thing as doing things too early.

Wait till I tell you we already readopted them all! (Note, we have not redopted them all.)

Behold! I bring you the Board of Pharmacy's periodic rule review determinations that the Board approved today, six months ahead of schedule. I will now go get my arm x-rayed from patting myself on the back so hard (though it was really our board member review committee that did all the work).

A dozen unnecessary rules, after a dozen last time. So you save two or three pages of virtual paper in the Code.

If I have done something wrong, let me know. Goodness knows we have enough time to fix it.
