Thank you for the edits and responses, Leigh.

I have a few follow up comments:

- (b)(1), lines 17-18: Your list under (b)(1) skips over (F). Please re-letter accordingly.
- (b)(1)(H): Consider breaking out each of these information requirements into their own parts. I think this would improve readability.
- (b)(1)(I): Delete “an” from the beginning of this. Also, change “authorize” back to “authorizing” on line 25. Please ignore my original request.
- (d)(1): After re-reading the rule, should this say “Proof of **graduate** medical education from the graduate medical education program director” rather than inserting the word “for” in here? Please review and confirm.

Please provide responses to me by EOD Friday at the latest.

Thank you,
Chris

Good morning, Ashley!

Since the Section title was correctly listed in the Register, you can simply swap out “SECTION .1400 – RESIDENT’S TRAINING LICENSE” for “SECTION .1300 – GENERAL” in the final rule. No need to include any strikethrough or highlighting for this change.

Thanks for catching this and let me know if you have any other questions.

Good Morning, Chris:

I hope this message finds you well. I tried to reach you via phone yesterday and ended up leaving a voicemail. As mentioned, my call was regarding one of the suggested technical changes in the attached document. Specifically, the following change:

“Line 3, Section Title: This isn’t the correct Section if the new rule will be .1403. It should instead be, “SECTION .1400 – RESIDENT’S TRAINING LICENSE”. Please correct this.”

It appears it was correct in the NC Register dated December 1, 2025. However, between then and our submission to RRC, Section .1300 was added. In accordance with formatting rules, would it be appropriate for us to strike through the Section .1300 heading and add Section .1400 with an underline? Like

~~SECTION .1300 – GENERAL~~ SECTION .1400 – RESIDENT’S TRAINING LICENSE

below.

Or, since it was correct in the Register, do we just type Section .1400 – RESIDENT’S TRAINING LICENSE, since there was no actual change to what was published in the Register?

I have copied Deputy General Counsel, Marcus Jimison, and the Board’s Rules Coordinator, Leigh Anne Satterwhite, to this email for visibility. We look forward to hearing from you. Thank you.
