Hi Anna,

Recapping our conversation from earlier today. After further consideration of the language of SL 2025-34, and your representation that the rules on performance management and performance evaluation are housed in 25 NCAC 01O, I agree that Section 8.(b) effectuates the repeal of Subchapter 01O as of July 1, 2025, and requires that the rules be removed from the Code without further action from SHRC.

I will receive our phone conversation as your request to remove the rules from the Code, and we will prepare a proof of the repeals for your approval within the next few days. I will add the following language to the history note of each rule subject to repeal:

Repealed Eff. July 1, 2025 by act of the General Assembly pursuant to S.L. 2025-34, s. 8.(b).

To confirm, the existing rules in Subchapter 01O which will be removed and this note applied are:

.0107, .0108, .0109, .0110, .0111, .0112, .0113, .0114, .0115, .0207, .0208, .0209, .0210, and .0211.

As to your concerns regarding the periodic review report, as the rules are repealed, you should no longer need to complete the report. I've copied Seth Ascher on this email, and he can coordinate removing 25 NCAC 01O from the schedule.

Please let me know if you have any further questions or concerns.

Best,
Brian

Can we do 11 am on Friday? I'm usually best on the phone; Teams always needs about 5-10 minutes to figure out why my mic or camera isn't working. 😊

Hi Alex,

I do have a question about this. 25 NCAC 01O was repealed by SL 2025-34. We have been going through the repeal process (though we weren't quite sure we needed to since they were repealed by law) and our Commission voted on it at our last meeting on March 5. I would love a chance to chat with someone about the best way to proceed in this situation.

Thanks so much,
