Good Morning, Seth,

Thank you for reaching out. The readoption deadline suggested, August 1, 2030, works perfectly for DPS.

Good afternoon,

The attached periodic review reports have been finalized. The next step is to set a deadline for the readoption of these rules. Pursuant to G.S. 150B-21.3A and 26 NCAC 05 .0212, the RRC sets this deadline after consultation with the agency, and this email serves as the RRC's request for that consultation. Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC, and the deadlines for doing so.

It appears that the deadline for your agency to provide this information is September 11, 2026. As a starting point and given the size of this ruleset, I would recommend a August 1, 2030, readoption deadline, but I am open to considering a different recommendation based on the needs of your agency.

The rules designated, as unnecessary expired effective June 1, 2026.

Please Note: pursuant to 26 NCAC 05 .0212 your agency's 60-day timeline does not begin until you receive communication from a staff attorney.
