3 **10A NCAC 13L .0203 PROGRAM COMPLIANCE**

4 (a) The Division shall employ a system on initial and renewal applications, complaint investigation and on-site
5 inspections for nursing pools with sites in the state as a means for monitoring and determining program compliance.
6 This system shall be applied uniformly to all licensed and license-exempt nursing pool premises. Routine licensing
7 renewal activities may be conducted by mail. Licensing of nursing pools with sites outside the state, but which provide
8 personnel to health care facilities within the state, shall be conducted by mail.

9 (b) In the event of non-compliance with any rule or rules in this Subchapter or the Nursing Pool Licensure Act, the
10 business shall be given no more than thirty days, the specific time period to be determined by the Division, to correct
11 the non-compliance.

12 (c) The Division may suspend , revoke, annul, withdraw, recall, cancel, or amend a license in accordance with G.S.
13 131E-154.6 for any nursing pool that substantially fails to comply with the rules contained in this Subchapter or that
14 fails to implement an approved plan of correction for violations of rules cited by the Division. A nursing pool may
15 appeal any adverse decision made by the Division concerning its license by making such appeal in accordance with
16 the Administrative Procedure Act, G.S. 150B and departmental rules 10A NCAC 01 et seq. As provided for in G.S.
17 131E-154.7, the Division may seek injunctive relief to prevent a person from establishing or operating a nursing pool
18 without a license.

AGENCY: Medical Care Commission

RULE CITATION: 10A NCAC 13M .0101

DEADLINE FOR RECEIPT: September 17, 2026

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may email the reviewing attorney to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following changes be made:

On line 11, include a citation to the "Clinical Laboratory Improvement Act" (though you do not need a link unless you want to incorporate it.) Note when I googled that phrase, it let me to the "Clinical Laboratory Improvement Amendments" at 42 USC 263a which may or may not be what you mean.

On line 26-27, can you be more specific regarding the APA? I.e "article 3 of the Administrative Procedures Act".

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

6
7 **10A NCAC 13M .0101 STATE CERTIFICATION FOR LABORATORIES CONDUCTING PAP SMEARS**

8
9 (a) All laboratories evaluating Pap smears shall be state certified by the Division of Health Service Regulation,
10 Department of Health and Human Services, in accordance with this Rule.

11 (b) To be state certified, all laboratories shall be licensed under the federal Clinical Laboratory Improvement Act as
12 amended or certified by the Centers for Medicare and Medicaid Services for the specialty of cytology.

13 (c) To be state certified, laboratories shall perform Pap smear examinations only on specimens submitted by a health
14 care provider whose scope of practice includes the function of Pap smears.

15 (d) An application for state certification shall be submitted to the Division of Health Service Regulation listing the
16 name and location of the laboratory requesting certification, the name of the laboratory director and evidence that the
17 laboratory meets the requirements listed in Paragraphs (b) and (c) of this Rule. Laboratories will be notified in writing
18 within 45 days of the receipt of the application that they have been certified, or if certification has been denied, of the
19 reasons for denial.

20 (e) State certification must be renewed by a facility when licensing or certification renewal is required by the program
21 that established state certification eligibility pursuant to Paragraph (b) of this Rule.

22 (f) If a laboratory's license or certification for one of these programs is suspended or revoked, the laboratory director
23 shall immediately notify the Division of Health Service Regulation and the laboratory's state certification under this
24 Rule shall be revoked. The laboratory may apply for recertification when it can provide evidence that it meets the
25 requirements listed in Paragraphs (a) – (e) of this Rule.

26 (g) Appeals of the Division's decisions regarding state certification shall be in accordance with the Administrative

2
3 **SECTION .0200 – MAMMOGRAPHY CERTIFICATION**
4

5 **10A NCAC 13M .0201 STATE CERTIFICATION FOR SCREENING OF MAMMOGRAPHY SERVICES**

6 (a) All facilities performing screening mammograms shall be certified by the Division of Health Service Regulation,
7 Department of Health and Human Services in accordance with the Rule.

8 (b) To be state certified, all equipment used in the performance of screening mammography shall be dedicated to such
9 use by manufacturer's design. Each piece of mammography X-ray equipment, whether located in a fixed or mobile
10 facility, shall be maintained in a safe operating condition and shall be registered and used in accordance with the Rules
11 in 15A NCAC 11.

12 (c) To be state certified, all facilities shall be certified by the Centers for Medicare and Medicaid Services or shall be
13 accredited by the American College of Radiology for the performance of mammography screening.

14 (d) An application for state certification shall be submitted to the Division of Health Service Regulation listing the
15 name and location of the facility requesting certification, the name of the owner, and evidence that the facility meets
16 the requirements listed in Paragraphs (b) and (c) of this Rule. Facilities shall be notified in writing within 45 days of
17 the receipt of the application that they have been certified or, if certification has been denied, of the reasons for denial.

18 (e) State certification must be renewed by a facility certification or accreditation renewal is required by the program
19 that established state certification eligibility pursuant to Paragraph (c) of this Rule.

20 (f) If a facility's certification or accreditation for one of these programs is suspended or revoked, the facility operator
21 shall immediately notify the Division of Health Service Regulation and the facility's state certification under this Rule
22 shall be revoked. The facility may apply for recertification when it can provide evidence that it meets the requirements
23 listed in Paragraphs (a) – (e) of this Rule.

24 (g) The North Carolina Medical Care Commission delegates the authority to grant waivers of this Rule to the Division
25 of Health Service Regulation. The Commission, however, shall review all waivers granted at its next regularly
26 scheduled meeting and shall make any revisions to waivers deemed necessary at that time.

27 (h) In order to be granted a waiver of this Rule, a facility shall make a request for a waiver in writing to the Division
28 of Health Service Regulation providing the following:

- 29 (1) justification that the rule should not be applied as written, because strict application would cause
30 undue hardship;
- 31 (2) justification that adequate standards assuring early detection of breast cancer and affording
32 protection of health and safety exist and will be met in lieu of the exact requirements;
- 33 (3) justification that the purpose of this Rule is met through equivalent standards affording equivalent
34 protection of health and safety;
- 35 (4) information on the number of screening mammograms performed monthly for the previous six
36 months;

1 (5) information proving that there is no state certified facility nearby by identifying the nearest state
2 certified facility and providing information regarding the accessibility of mobile units in the area;
3 and

4 (6) a plan for meeting standards necessary for certification, including the time required to meet
5 standards.

6 (i) The Division of Health Service Regulation may grant a waiver to the extent that the factors listed in Paragraph (h)
7 of this Rule are satisfied.

8 (j) Appeals of the Division's decisions regarding state certification shall be in accordance with the Administrative
9 Procedures Act, G.S. 150B.
