Al,

Given this, I will recommend a June 1, 2030 readoption deadline for your rules at the upcoming RRC meeting on September 29th at 10:00 AM. You can participate via webex, let us know if you would like an invite.

For context, when I and the agency agree on the deadline the Commission generally approves it without any discussion. I don't anticipate anything else here.

With regards to the timeline uncertainty based on your current situation, you should still have plenty of time. We generally recommend planning for about 2 years for readoption, which already builds in extra time. If your legislative issues are not resolved by 2028, reach out to staff at the RRC and we can figure out what to do.

Mr. Ascher,

I believe this timeline is doable for the NCBCSC. However, please be advised that we are currently going through a reorganization of our Commission. The Executive Director's position has been eliminated, and we are in the process of trying to have this position reestablished through a technical correction with the legislators.

I am uncertain as to how the changes will ultimately affect the timeline of rules and other functions of the Commission. However, we will do our best to accomplish the mission of the Commission.

Thanks, Al

Good afternoon,

The attached periodic review reports have been finalized. The next step is to set a deadline for the readoption of these rules. Pursuant to G.S. 150B-21.3A and 26 NCAC 05 .0212, the RRC sets this deadline after consultation with the agency, and this email serves as the RRC's request for that consultation. Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC, and the deadlines for doing so.

It appears that the deadline for your agency to provide this information is September 11, 2026. As a starting point and given the size of this ruleset, I would recommend a June 1, 2030, readoption deadline, but I am open to considering a different recommendation based on the needs of your agency.

Good afternoon,

The determinations in the attached periodic review report for 14B NCAC 10 were effective May 27, 2026. Commission Counsel Seth Ascher will reach out to you to discuss setting the readoption date.

Please Note: pursuant to 26 NCAC 05 .0212 your agency's 60-day timeline does not begin until you receive communication from a staff attorney.

Let me know if you have any questions.
