Subject: Re: November 2026 RRC Meeting- Request for Tech Changes

Meghan,

I really appreciate your patience working with me through these changes. Hopefully, I've addressed all the formatting issues. Please see the attached updated rules and our responses to your latest questions below.

Rule .0102, great job on the definitions but you need to reorder them, so they are in correct alphabetical/numerical order. Reordering complete.

Rule .0801, (d)(1) Line 36 you state in your response that you have removed (d)(1) entirely, but the rule you submitted does not reflect that. If you choose to get rid of (d)(1) that leaves (d) which says that they have to follow (b) but doesn't clarify a faster time frame. How does that work with (d)(2) which requires them to suspend payments and contact OSBM in 5 days? I apologize for sending you the wrong version of this rule. I'm attaching the correct version, which shows (d)(1) as removed. Please see adjustments to Paragraph (d) that clarify how Paragraphs (b) and (d) work together. In a nutshell, Subparagraph (d)(1) establishes an expedited 5-day timeline for emergency payment suspension and OSBM notification that explicitly overrides the standard, slower timelines in Paragraph (b). Meanwhile, referencing Paragraph (b) ensures the agency still maintains the formal administrative record and notice framework to pursue ultimate resolution or contract termination under Subparagraph (d)(2).

Rule .0901, you bracketed but did not strike through changes in (2), (3), (4) and (6). As this an adoption with changes you don't actually need highlights or brackets, however you absolutely need to strike though deletions and underline additions in order for our system to read the edits correctly. See https://www.oah.nc.gov/rule-format-examples#RuleFormatExamplesforPublicationintheNCAdministrativeCode-6063 Corrections made.

Finally, I would just scan through the rules that were published for readoption with substantive changes to be sure the edits with highlights, brackets, underlines and strike throughs are consistent with our rule format examples https://www.oah.nc.gov/rule-format-examples#RuleFormatExamplesforPublicationintheNCAdministrativeCode-6063 Done. I didn't identify any corrections needed for our other rules.

Thank you!!

Julie,
Thank you so much to your responsiveness to my suggestions. I have just a few things for you to look at again:

Request for Changes Pursuant to N.C. Gen. Stat. § 150B-21.10

Staff reviewed these Rules to ensure that each Rule is within the agency's statutory authority, reasonably necessary, clear, and unambiguous, and adopted in accordance with Part 2 of the North Carolina Administrative Procedure Act. Following review, staff has issued this document that may request changes pursuant to G.S. 150B-21.10 from your agency or ask clarifying questions.

Questions contained herein suggest that the rule as written is unclear or there is some ambiguity. If this document includes questions and you do not understand the question, please contact the reviewing attorney to discuss. Failure to respond may result in a staff opinion recommending objection.

Staff may suggest the agency "consider" an idea or language in this document. This is in no way a formal request that the agency adopt the idea or language but rather is offered merely for the agency's consideration which the agency may find preferable and clarifying.

To properly submit rewritten rules, please refer to the following Rules in the NC Administrative Code:

- Rule 26 NCAC 02C .0108 – The Rule addresses general formatting.
- Rule 26 NCAC 02C .0404 – The Rule addresses changing the introductory statement.
- Rule 26 NCAC 02C .0405 – The Rule addresses properly formatting changes made after publication in the NC Register.

Note the following general instructions:

1. You must submit the revised rule via email to oah.rules@oah.nc.gov and copy RRC Counsel. The electronic copy must be saved as the official rule name (XX NCAC XXXX).
2. For rules longer than one page, insert a page number.
3. Use line numbers; if the rule spans more than one page, have the line numbers reset at one for each page.
4. Do not use track changes. Make all changes using manual strikethroughs, underlines and highlighting.
5. You cannot change just one part of a word. For example:
    - Wrong: "~~a~~Association"
    - Right: "~~association~~ Association"
6. Treat punctuation as part of a word. For example:
    - Wrong: "day~~,~~; and"
    - Right: "~~day,~~ day; and"
7. Formatting instructions and examples may be found at: www.ncoah.com/rules/examples.html

If you have any questions regarding proper formatting of edits after reviewing the rules and examples, please contact the reviewing attorney.

REQUEST FOR CHANGES PURSUANT TO G.S. 150B-21.10

DEADLINE FOR RECEIPT: Friday, November 13th, 2026, by 5:00p.m.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may email the reviewing attorney to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following changes be made:

Line 4, You recognize that the definitions in G.S. 143C-6-23 and G.S. 143C-1-1 apply but then below you provide definitions for 3 terms already defined in those statutes and your definitions differ from the statutory definitions: "fiscal year" (Number 8, Line 23), "Grants" (Number 10, Line 26) and "state funds" (page 2, Number 16, Line 9). Redefining terms from those explicitly listed in statute raises significant issues with clarity and authority. Additionally, you list a definition for "non-state entity" (Number 12, Line 32) that says the meaning is the same as G.S. 143C-1-1. It is unnecessary to state that a single definition matches the statute when the entire statute is already applied. Please remove these four terms and the definitions from your list or change the term so it does not redefine something already in statute (example- use "recipient's fiscal year" rather than "fiscal year").

- *Removed definition of "non-state entity."*
- *Removed definition of "State funds."*
- *Replaced "Fiscal year" with "Recipient's fiscal year" and "Subrecipient's fiscal year"*
- *Replaced "Grants" with "Financial assistance" in this Rule and added term "financial assistance" to Rule .0205(a).*
- *Renumbered definitions as needed and corrected cross-reference in definition of "subrecipient."*

(1) Line 6, Please remove parentheses and include those terms in the narrative. Consider "every State or local public office, public officer, or public official whether elected or appointed, institution…" Change made.

(a)(2) Line 17, you have already incorporated this regulation so you do not need to do so again. However, if you do, this link needs to be to the cited content (2 CFR 200.501(a)) not the CFR homepage. Removed the unnecessary incorporation language Lines 16-18.

(c) Line 30, this is where a definition of the term "recipients' fiscal year" would be necessary so that it is clear that it is not necessarily the "fiscal year" as defined by the state in statute. Added definition of "recipient's fiscal year" to Rule .0102.

DEADLINE FOR RECEIPT: Friday, November 13th, 2026, by 5:00p.m.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may email the reviewing attorney to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following changes be made:

(a)(1) Line 8, disbursed by whom? The agency to the recipient or by the recipient themselves? Please clarify. To help clarify, consolidated (a)(1) "Notify each recipient by the time the grant funds are disbursed of the purpose. . . ." into (a)(2), and renumbered subparagraphs (a)(2) through (a)(12) as (a)(1) through (a)(11). Also, updated cross-references in Rule .0801 to reflect revised numbering in Rule .0401.

(a)(2)(A) Line 16-19, Is this the most direct link to the cited content because I could not figure out where to go from the homepage to register a program? Added more direct link.

(a)(2)(A) This sounds like a form that has to be filled out as you are listing the information required. If it is essentially a form, then G.S. 150B-2(8a)(d) requires the contents or substantive requirements to be included in a rule or statute. See the guidance document on Forms located on the OAH website. https://www.oah.nc.gov/rrc-final-guidance-forms/open. If program ID and description, program name, and funding year are all that is required then this would meet the substantive requirements but if it requires any other information that needs to be added. This is the only information required. No changes made.

(a)(2)(C) Lines 22-25, same as above, is there a more direct link and is this essentially a form? Added direct link. G.S. 150B-2(8a)(d) requires the contents or substantive requirements to be included in a rule or statute. You currently list award date, completion date, award amount and program name. Is that all that is required? This is the only information required. No changes made.

(b) Page 2, Line 28 what is an audit exception? It sounds like it should be a consequence because they are failing to comply with the provisions but an audit exception sounds like they get to avoid all or part of an audit. An "audit exception" is a term of art in the fields of accounting and auditing. It means a confirmed departure from the

rules, regulations, statutory requirements or the terms and conditions of a grant award. No changes made.

(a) Line 7, this link needs to be to the cited content not just the homepage. You can reference our guidance on the incorporation of links the CFR at https://www.oah.nc.gov/rrc-final-guidance-incorporation-links/open. Added direct link.

(b)(1) Line 13, you changed the previous references on Lines 8 and 12 to recipient rather than non-State agency. Is there a reason you reverted back here? Consistency aids clarity. Changed "non-State entity" to "recipient" for consistency.

(b)(2) Line 16, again you use non-State agency. Are the non-State agency and the recipient two different things or the same? If it's the same, please use one term. Changed to "recipient."

(d) Line 34, change 5 to five. Change made.

(d)(1) Line 36, Is any accelerated time frame okay? Does it have to be completed before the five days mentioned in (d)(2)? In this context, accelerated simply means faster than the time frames required by (b)(1) and (b)(2). Upon further review, we have removed (d)(1) entirely as (d) already requires adherence to the procedures listed in Paragraph (b).

(d)(2) Page 2, Line 1, change 5 to five Change made.

(g) Line 27, Are there any required time frames for these notifications? Added time frames to ensure notifications are provided within a clear and reasonable period. Although delays are unlikely, these notifications are intended to close the loop on actions that have already occurred, such as the suspension of funding, rather than to trigger an additional process. Even so, defining a specific time frame incrementally improves clarity.
