Subject: RE: November RRC Meeting- Request for Technical Changes

Meghan,

Here are all of the rules, both those that were originally submitted and do not have technical changes and those that have the technical changes. Please let me know if anything else is needed.

I will be attending via Webex, and possibly Brian LiVecchi (chief of staff) and Allen Norfleet (campaign finance director). Both are cc'd. I do not plan to speak unless needed to answer questions or if people speak in opposition to the rules.

Finally, I know it is standard practice for the RRC to move items to the end of the agenda when there are people who request to comment on a rule. I would like to make one request should that occur for these rules. If at all possible, we would request to be the first agency heard if multiple agency rules are moved to the end. Our State Board canvass of the November 2026 general election is also on November 24 and starts at 11am as required by state law. We will be making preparations in case I'm delayed from joining the State Board's meeting, but it would be much appreciated if the RRC considers that request.

Thanks,

Adam,
Thank you so much for your changes as well as your thorough responses to my questions. I only had one follow-up:

Rule .0801 lines 8-9 you specify that the form may be submitted by either mail or email. Please include clarification as to the addresses for that submission so the regulated public knows how to comply. If it's to the general agency contact addresses listed in .0101 you could reference that rule or if it's to a specific address or email address, please specify.

I am comfortable with all the other changes made to the revised rules and appreciate your help.

Subject: November RRC Meeting- Request for Technical Changes

Good morning,

I'm the attorney who reviewed the rules submitted by the State Board of Elections for the November 2026 RRC meeting. The RRC will formally review this rule at its meeting on Tuesday, November 24, 2026, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get close to the meeting. If there are any other representatives from your agency who want to attend virtually, please let me know prior to the meeting, and we will get evites out to them as well.

Attached is the Request for Changes Pursuant to G.S. 150B-21.10. Please submit the revised rules to me via email, no later than 5 p.m. on November 13, 2026. Let me know if you have any questions.

Thanks,

Meghan
