Yes – that timing should be fine.
Thanks,
Chris

Thank you for the staff recommendation.

We should be able to get our initial responses and rule edits to you by the end of December. We will continue to work through the Request for Technical Change in Meredith's absence but will need final review from her before official submission. Is that an acceptable timeframe?

Angela,

Confirming receipt of your request. The Commission will consider this at next week's meeting, and I will be recommending approval of an extension.

For logistical planning, and given that the CLO is out until January, when do you think you will be able to get your initial responses and rule edits to me? I want to make sure that we'll have enough time for any necessary follow up before the January meeting. Extensions are limited to 70 days, so the rules would need to go before the Commission for review at the January 28 meeting.

Thanks,
Chris

This email is to formally request an extension for the North Carolina Board of Nursing (NCBON) Rules scheduled for review by RRC on Tuesday, November 24, 2026. We would like to request an extension to the RRC meeting scheduled for January 28, 2027.

Staff have been working diligently on the Request for Technical Change received on November 5, 2026, and require additional time to address the number of questions provided for each Rule. With the holidays approaching and our Chief Legal Officer scheduled for Medical Leave for the remainder of the calendar year beginning November 18, 2026, we request additional time to complete the review and submit the Rules to RRC.

Please advise. Thank you for working with the NCBON to ensure our Rules comply with the requirements of the Administrative Code.

Subject: Board of Nursing - Rules for November 2026 RRC Meeting

Good afternoon,

I'm the staff attorney who reviewed the rules submitted by the NC Board of Nursing for the November 2026 RRC meeting. The RRC will formally review these rules at its meeting on Tuesday, November 24, 2026, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get close to the meeting. If there are any other representatives from your agency who want to attend virtually, please let me know prior to the meeting, and we will get evites out to them as well.

Attached is my Request for Changes pursuant to G.S. 150B-21.10. Please submit the responses and revised rules to me via email, no later than **5 p.m. on November 16, 2026**.

Let me know if you have any questions.

Thanks!
