Ashley,

I have reviewed the updated version of the two rules assigned to me (21 NCAC 32 R .0101 and 21 NCAC 32 S .0216, which are the two rules that don't overlap with the nursing board). I anticipate recommending approval of these two rules at the June meeting. If anything changes between now and then, I will let you know.

Good Afternoon!

Attached please find a Submission for Permanent Rule for 21 NCAC 32R .0101; 21 NCAC 32S .0216; and 21 NCAC 32M .0107 which were approved by the NC Medical Board on May 17, 2024.

In response to Seth's question about MATE being defined or cited somewhere, that has been addressed and included as part of the technical changes in these rules.

If anything else is needed, please let us know.
