# Rule Change Tracker

Use this resource to follow changes to the NCMB's administrative rules. The table below displays proposed rules and proposed amendments to existing rules.

Rules typically go through numerous revisions before they are finally approved by the NC Rules Review Commission (RRC). The NCMB will periodically update the text posted to reflect revisions. The final text of the rule will be posted pending approval by RRC.

## REVIEW/APPROVAL PROCESS:

- The first step in the rules process is publication of the text of the proposed rule in the NC Register (Status = Published)
- The next step is a public hearing to receive written or oral comments on the proposed rule (Status = Public Hearing)
- Once comments are received and reviewed, the NCMB may make revisions to the rule based on feedback. The rule is then submitted to the NC Rules Review Commission for final approval (Status = Submitted to RRC)
- If the rule is approved by RRC, the status will be updated to indicate "Approved."

**COMMENTS:** If you would like to comment on any of the proposed rules or amendments, you may send written comments via regular mail to Rules Coordinator, NC Medical Board, PO Box 20007, Raleigh, NC 27619 or you may [email](#) your comments.

Good afternoon,

I'm the attorney who reviewed the Rules submitted by the Board for the November 2024 RRC meeting. The RRC will formally review these Rules at its meeting on Tuesday, November 26, 2024, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get closer to the meeting. If there are any other representatives from your agency who will want to attend virtually, let me know prior to the meeting, and we will get invites out to them as well.

Please submit the revised Rules and forms to me via email, no later than 5 p.m. on Friday, November 1, 2024.

In the meantime, please do not hesitate to reach out via email with any questions or concerns.
