Shanah,

No need to call. The version of the rules approved by RRC in January will take effect on August 1. The deadline for submitting letters of objection for those rules would have been the day after the January RRC meeting, and as far as I am aware, they did not receive any letters at that time. The letters we've received apply only to the version of the rules approved at yesterday's meeting.

Hope this answers your question. Feel free to reach out with further questions.

Best,
Brian

Shanah,

This is an interesting question that I have never encountered. I believe this is an issue best suited for the Codifier, Mr. Liebman. Please call him and pose this question.

Travis,

Thank you for the update. Can you confirm that the original versions of 10A NCAC 13F .1604 and 10A NCAC 13G .1604 approved by the Rules Review Commission on January 30, 2025, and which received no objections, will take effect and remain in effect as of August 1, 2025? It is our understanding that the objections pertain to the proposed amended rules, and the previously adopted rules which were adopted without objection remain in the code and will now take effect since the amendment's effective date is delayed pursuant to G.S. 150B-21.3(b1) and (b2). Can you confirm that this correct?

Thank you.

Shanah,

We've received 13 letters of objection to Medical Care Commission rules 10A NCAC 13F .1604 and 13G .1604. Pursuant to G.S. 150B-21.3(b2), this email is notification that these two proposed rules are subject to legislative disapproval. Pursuant to G.S. 150B-21.3(b1), these rules will not be effective until the thirty-first legislative day of the current session of the General Assembly, unless further action is taken. The effective date of these rules is subject to change if the legislature adjourns this session before the thirty-first legislative day without taking further action.

Please let me know if you have any questions. Thank you.

Subject: July RRC Meeting

Shanah,

I'm the attorney who reviewed the rules (10A NCAC 13F .1604 and 10A NCAC 13G .1604) submitted by the Medical Care Commission for the July 2025 RRC meeting. The RRC will formally review these rules at its meeting on Wednesday, July 30, 2025, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get close to the meeting. If there are any other representatives from your agency who want to attend virtually, please let me know prior to the meeting, and we will get evites out to them as well.

These rules were reviewed by RRC Counsel for the January 2025 RRC meeting. At that meeting, the RRC approved both rules, to become effective August 1, 2025. Your agency has resubmitted 10A NCAC 13F .1604 and 10A NCAC 13G .1604 to correct an error made when these rules were originally reviewed in January 2025. The proposed amendments have corrected the error, and no further changes are requested for these rules.

Please submit the rules via email to oah.rules@oah.nc.gov no later than 5pm on July 18, 2025. The electronic copy must be saved as the official rule name (XX NCAC XXXX). Please include me on the email. Let me know if you have any questions.

Thanks,
