I have not heard back from Bill regarding his proposal for April 2023 and our more realistic deadline of December 2023. So, I was confused if this was going to be discussed or not?

Thanks.

FYI I spoke to Julie and put it back. At this point it does not fall under the existing rules tab. I wasn't sure it should go under Commission business so I removed it. I guess it should remain to stay consistent with what we are doing now. I'm still figuring this stuff out. Let me know if this is ok.

Hi Bill,

Noticed the Mining Commission email communication is gone from the Aug agenda?
Please advise.

As you may know the Mining Commission just held its first meeting last month. What date are you recommending?
