Residential Code, N1106.2 (R406.2); Energy Conservation Code, R202; and Energy Conservation Code R406.2. – The Commission voted pursuant to G.S. 150B-21.9 to ask the Office of State Budget and Management to determine if the above-referenced rules have a substantial economic impact and therefore require a fiscal note. A response to this request pursuant to G.S. 150B-21.9 will assist the Commission in determining whether the agency adopted the rules in accordance with the Administrative Procedure Act.

These Rules will remain under the Commission's review until after review by OSBM and subsequent action by the agency pursuant to G.S. 150B-21.12.

LOG OF FILINGS (TEMPORARY RULES)

Wildlife Resources Commission

15A NCAC 10A .1601 and 10L .0101 were approved with Commissioner Tucker voting against.

Michael Smallwood, with the agency, addressed the Commission.

Commission for Public Health

15A NCAC 18A .2508 and .2543 were unanimously approved.

State Board of Education

16 NCAC 06C .0326, .0329, .0334, .0335, .0336, .0337, .0338, .0339, .0340, .0341, .0342, .0343, .0344, .0345, and .0346.

The Commission found that the statements of the findings of need as provided in the Temporary Findings of Need Forms did not meet the criteria set forth in G.S. 150B-21.1(a) and also that the rules did not meet the standards set forth in G.S. 150B-21.9.

The Temporary Findings of Need Forms for these Rules indicate that the agency engaged in temporary rulemaking as a result of a recent act of the General Assembly, specifically S.L. 2019-149. Box 7 of the Forms state that "the General Assembly directed the State Board of Education to adopt by October 1, 2019, a rule required by N.C. Gen. Stat. 115C-269.45(c1)." Box 5 of the Forms indicate that the State Board of Education did not adopt these Rules until November 7, 2019. The Commission did not approve these Rules because the adoption date of these Rules was after October 1, 2019 and therefore, the State Board of Education lacked the statutory authority for temporary rule making.

In addition, the Commission objected to all rules except for .0340, which specifically addresses the small group exception referenced by Section 2 of S.L. 2019-149, for lack of statutory authority. The Commission found that the remaining rules are beyond the limited and narrow scope of the mandate provided in the Section 2 of S.L. 2019-149 as referenced on the Findings of Need Forms.

The Commission also objected to 16 NCAC 06C .0339 and .0342 through .0346 for clarity. The Commission determined that it was unclear whether these Rules create sanctions in addition to those

provided in G.S. 115C-269.45(a)(1) through (3) or whether the intent is to address the “performance measures” as referenced by the same.

Finally, the Commission objected to 16 NCAC 06C .0346 for lack of statutory authority, finding that this Rule as filed directly contradicts G.S. 115C-269.45. Specifically, Paragraph (b) of this Rule allows for “an EPP on revoked status” to “continue to admit students...”; however, G.S. 115C-269.45(b)(2) states “upon assignment of revoked status of EPP approval, the EPP shall not admit new students.” Further, Paragraph (c) of this Rule provides an EPP the ability to recommend students for licensure for two years once it is placed on revoked status; however, G.S. 115C-269.45(a)(3) states that “an EPP shall be assigned revoked status and its approval to recommend students for educator licensure revoked...” when specific requirements are met.

Commissioner LiVecchi voted against the objections.

Eric Snider, the rulemaking coordinator with the agency, addressed the Commission.

Real Estate Commission

21 NCAC 58A .0305 was unanimously approved.

Prior to the review of the rule from the Real Estate Commission, Commissioner Dunklin recused himself and did not participate in any discussion or vote concerning the rule because he practices before the Commission.
