STATE ETHICS COMMISSION

October 6, 2023

The Honorable Phil Berger
President Pro Tempore of the Senate
16 West Jones Street, Room 2008
Raleigh, North Carolina 27601

**Re: Evaluation of Statement of Economic Interest Filed by Mr. Brandon Leebrick
Appointee to the Rules Review Commission**

Dear Senator Berger:

Our office has received **Mr. Brandon Leebrick's** 2023 Statement of Economic Interest as an appointee to the **Rules Review Commission (the "Commission")**. We have reviewed it for actual and potential conflicts of interest pursuant to Chapter 138A of the North Carolina General Statutes ("N.C.G.S."), also known as the State Government Ethics Act (the "Act").

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter, meanwhile, is not meant to impugn the integrity of the covered person in any way. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

We did not find an actual conflict of interest but found the potential for a conflict of interest. The potential conflict identified does not prohibit service on this entity.

The Rules Review Commission has authority to review all temporary and permanent rules proposed by North Carolina government agencies, including the authority to veto rules that fail to satisfy specific statutory criteria. Generally speaking, those rules are intended to implement or interpret laws adopted by the General Assembly or Congress or certain federal regulations. Temporary or permanent rules approved by the Commission are filed with the Office of Administrative Hearings to be included in the North Carolina Administrative Code.

The Act establishes ethical standards for certain public servants and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings, N.C.G.S. § 138A-36(c).

Mr. Leebrick is a principal attorney with Ott Cone & Redpath, P.A., a law firm which could represent clients that come before the Commission during the rulemaking process. As such, he has the potential for a conflict of interest and should exercise appropriate caution in the performance of his public duties should issues involving the law firm of Ott Cone & Redpath, P.A. or its clients come before the Commission for official action.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts from (1) a lobbyist or lobbyist principal, (2) a person or entity that is seeking to do business with the public servant's agency, is regulated or controlled by that agency, or has financial interests that might be affected by their official actions, or (3) anyone in return for being influenced in the discharge of their official responsibilities. N.C.G.S. § 138A-32. Exceptions to the gifts restrictions are set out in N.C.G.S. § 138A-32(e).

When this letter cites an actual or potential conflict of interest under N.C.G.S. § 138A-24(e), the conflict must be recorded in the minutes of the applicable board and brought to the membership's attention by the board's chair as often as necessary to remind all members of the conflict and to help ensure compliance with the Act. N.C.G.S. § 138A-15(c).

Finally, the Act mandates that all public servants attend an ethics and lobbying education presentation. N.C.G.S. § 138A-14. Please review the attached document for additional information concerning this requirement.

Please contact our office if you have any questions concerning our evaluation or the ethical standards governing public servants under the Act.

Sincerely,

Mary Roerden, SEI Unit
