Angela,

Thanks for sending the revised rule, and sorry about the confusion with the spam filter. I had received email from you that didn't go to spam, so I figured at least with my inbox, you were spam-proof. Guess I was wrong!

Anyway, your rule looks good, and I'll recommend approval. Since you're having these spam issues, I'll forward the final version over to Dana and Alex for filing on your behalf unless you have an objection.

Thanks!

Brian

Hi Angela,

Yes, you went to spam, unfortunately. I am looking at your rule now, and will get back to you momentarily.

Thanks!

Hi Angela,

Yes, I heard about that. So bizarre! I'm just glad it was caught in time.

Anyway, I look forward to your responses.

Best,
Brian

Thank you, Brian! We will definitely get this back to you by tomorrow.

I discovered my emails to the general OAH inbox as well as to Alex' email were going into OAH Spam folders. I've reported this to our IT Department for a resolution. I appreciate everyone allowing us to continue on schedule with this Rule.

Subject: 21 NCAC 36 .0221 Requests for Changes - June 2023 RRC

Good morning,

I'm the attorney who reviewed the Rules submitted by the Board for the June 2023 RRC meeting. The RRC will formally review these Rules at its meeting on Thursday, June 15, 2023, at 9:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get closer to the meeting. If there are any other representatives from your agency who will want to attend virtually, let me know prior to the meeting, and we will get evites out to them as well.

Please submit the revised Rules and forms to me via email, no later than 5 p.m. on Friday, June 10, 2023. Given the circumstances, we can likely push that to Monday or Tuesday of next week. Also, if you think you'll need an extension, I will certainly recommend approval of that request to the Commission. That said, I didn't have any major requests with the Rule, and I think the issues I spotted can be fixed pretty easily.

In the meantime, please do not hesitate to reach out via email with any questions or concerns.

Thanks,

Brian
