Subject: Re: Periodic Rule Review 21 NCAC 37

Good afternoon,

The attached periodic review reports have been finalized. The next step is to set a deadline for the readoption of these rules. Pursuant to G.S. 150B-21.3A and 26 NCAC 05 .0212, the RRC sets this deadline after consultation with the agency, and this email serves as the RRC's request for that consultation. Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC, and the deadlines for doing so.

Because your agency is a board, it appears that the deadline for your agency to provide this information is December 14, 2024, which I believe is ten days after your next scheduled meeting. As a starting point, I would recommend a January 2027 readoption deadline, but I am open to considering a different recommendation based on the needs of your agency.

Let me know if you have any questions.
