Good afternoon, Bill.

Thank you again for speaking with me this afternoon. The Board of Nursing would request an extension to respond to the Request for Technical Changes on 21 NCAC 36 .0807. The response is due by April 10th; however, as I explained over the phone, our agency tries to coordinate the rulemaking timeline for Nurse Practitioners with the NC Medical Board based on joint regulation. We were recently informed that the NC Medical Board filed recently and expects to be on the RRC May calendar. Our request would be to be moved to the May calendar in hopes of aligning with the NCMB's submission timeline. We appreciate the consideration, and I'm happy to provide any additional information if needed.

I hope you have a nice holiday weekend.

Best regards,
Meredith
