Dear Mr. Gray:

At its meeting on December 19, 2019, the Rules Review Commission extended the period of review for the above-referenced rules in accordance with G.S. 150B-21.10. They did so in response to a request from the agency to extend the period in order to allow the agency to address the Requests for Technical Changes and submit the rewritten rules at a later meeting.

Pursuant to G.S. 150B-21.13, when the Commission extends the period of review, it is required to approve or object to rules or call a public hearing on the same within 70 days.

If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

Amanda J. Reeder  
Commission Counsel

Re: 15A NCAC 02B .0240 (to be recodified as 15A NCAC 02B .0703)

Dear Ms. Everett:

At its meeting on December 19, 2019, the Rules Review Commission objected to the above-captioned rule in accordance with G.S. 150B-21.10.

The Commission objected to this Rule based on lack of statutory authority. Specifically, certain proposed changes to the Rule, such as in Subparagraph (a)(4), would change standards in other rules, in contravention to Session Laws 2016-94 and 2018-5. The Commission found the agency does not have authority to contravene those laws.

Please respond to this letter in accordance with the provisions of G.S. 150B-21.12. If you have any questions regarding the Commission's action, please let me know.

Sincerely,

Amanda J. Reeder  
Commission Counsel
