Mr. Ziko,

Yesterday, at its November meeting, the Rules Review Commission set June 30, 2026, as the State Board of Education's deadline for readoption of necessary rules. Please see the attached letter that was approved by the Commission to reflect this.

Please let me know if you have any questions about the letter or the process moving forward.

I hope you and the State Board have a good Thanksgiving.

Subject: RE: [External] Decennial Readoption of Necessary Rules

Mr. Ziko,

Thank you for your submission of this request. I think that a June 30, 2026, deadline is reasonable and will be advocating for approval of this timeline at the RRC meeting this coming Thursday, November 17, 2022. At the meeting, the RRC will be voting to approve [a letter directing the State Board of Education to readopt its necessary rules by June 30, 2026](#). This letter has been included in the [online agenda](#) for the upcoming meeting. Please review this letter and let me know if you have any issues with it.

Additionally, you may want to be prepared to answer any questions the RRC has regarding this timeline by either coming to the RRC meeting or participating remotely. Alexander Burgos, who has been CC'd on this email, can send you a Webex invitation to participate remotely if you need one.

Please let me know if you need anything further or have any questions.

Thank you,

Lawrence Duke
