Whitney,

I appreciate you working with us on these rules. I understand your request for an extension. I just need to know if you would like the extension to last until the October 29, 2026 meeting or the November 24, 2026 meeting. Let me know what works best and we will ensure this request is presented to the Commission at the September meeting next week. Thank you!

Good morning Meghan,

Thanks for taking my calls last week. As you know, I am not rulemaking coordinator, but along with Doug Brocker, serve as counsel for the Board. We are requesting an extension of time to consider the issues you have raised in your requests for technical changes.

Please let us know if there are any formal steps we need to take to request an extension of time so that we can have the rule considered at a later meeting of the Commission.

Thank you,

Whitney
