Brian, that plan sounds great to me. We will withdraw the temporary rule, then re-file in the exact same version that was filed in November. In the meantime, we will be thinking about productive improvements to the temporary rule that we can raise with you after the rule is refiled.

Do we need to do anything else, besides this email, to withdraw the temporary rule?

Hi Denise,

Thanks for reaching out. If you'd like to withdraw your temporary rule and re-file it for December, I think that would be OK, with one important caveat. The version of the rule you re-file for December must be the exact same version as was filed for November. I know you're probably going to want to make changes to respond to my change requests, but in the interests of transparency and fairness to the public, I think you need to file exactly what you published, and then make changes after that. Does that make sense?

Thanks!

Brian

Brian,

I left you a voice mail yesterday after receiving your email. Due to the short turnaround, and the number of inquiries, could we withdraw the rule or continue it from the RRC meeting next Tuesday and timely submit it for the December 19, 2024 meeting? This will give us more time to prepare our responses.

Please let us know at your earliest convenience.

Thanks!

Denise

Good afternoon,

I'm the attorney who reviewed the temporary Rule submitted by the SHRC for the November 2024 RRC meeting. The RRC will formally review this Rule at its meeting on Tuesday, November 26, 2024, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an invite should be sent to you as we get closer to the meeting. If there are any other representatives from your agency who will want to attend virtually, let me know prior to the meeting, and we will get invites out to them as well.

Please submit the revised Rule to me via email, no later than 5 p.m. on Friday, November 22, 2024. As we don't have much time before next Tuesday's meeting, I would greatly appreciate it if you can return your responses earlier than Friday, if possible.

In the meantime, please do not hesitate to reach out via email with any questions or concerns.

Thanks,

Brian
