Ann,

I am planning to request an extension to the period of review on these rules. The schedule this month has precluded me from getting you requests for changes in a time-frame that would reasonably allow you to respond. My hope is to get them to you far enough in advance that this can go through at the January meeting, but we can discuss that once I get you requests.

Hi, Seth. Can you tell me whether to expect: (a) requests for technical corrections on the 18 NCAC 07F rules, or (b) a staff request for an extension of time for review?

I'm trying to accommodate our folks' schedules and having that information will enable me to do so.

Thanks, Ann
