Subject: 18 NCAC 07K- Recommend approval

Anns,

I have finished reviewing 18 NCAC 07K, and anticipate recommending approval of the rule as filed. Therefore there is no RFC. If you have updates to this rule based on things you have caught or other changes, feel free to let me know. Otherwise, I believe this one is final.

Note also, I think at this point I have given you feedback about all of the subchapters. Let me know if this is incorrect. I also have your responses to subchapter 07D and will plan to review those tomorrow. I think we are in the home stretch now.
