Good afternoon,

Please be advised that I will be requesting an extension of review of the rules from your agency which are currently on the December RRC agenda due to staff shortages, the high volume of rules filed, and the truncated schedule for review. Should the RRC grant the request, these rules should be considered at the January 2024 RRC meeting.

I apologize for any inconvenience which this may cause your agency.

As always if you have any questions please do not hesitate to contact me.
