**Re:** *November 16, 2023 Objection to 2024 North Carolina Building Code, 2024 North Carolina Fire Code, 2024 North Carolina Existing Building Code, and November 16, 2023 Extension of the Period of Review for Section 101.2 of the 2024 North Carolina Building Code, Section 101.2 of the 2024 North Carolina Existing Building Code, Section 803.2.1.2 of the 2024 North Carolina Existing Building Code, Section 102.13 of the 2024 North Carolina Fire Code, and Section 5706.5.4.5 of the 2024 North Carolina Fire Code.*

Dear Mr. Liebman:

Per our discussions, no changes to the three final permanent rules that are the subject of the Commission's November 16, 2023 objections (the 2024 North Carolina Building Code, 2024 North Carolina Fire Code, and 2024 North Carolina Existing Building Code) would satisfy RRC staff that the rules were adopted in accordance with Part 2 of Article 2a of Chapter 150B. Instead, per our discussions and agreements, the North Carolina Building Code Council is proceeding to readopt these final permanent rules.

Accordingly, pursuant to N.C. Gen. Stat. § 150B-21.12, the North Carolina Building Code Council requests the return of 2024 North Carolina Building Code, 2024 North Carolina Fire Code, 2024 North Carolina Existing Building Code and the five related rules subject to the Commission's November 16, 2023 objections and extensions of the periods of review.

Please contact me with any questions.

Happy holidays,

Nathan Childs
